Sir:

LETTER CONCERNING NOTICE TO FILE MISSING PARTS

Enclosed is our original reply to the "Notice to File Missing Parts of Nonprovisional Application" for the above-identified application. This correspondence was timely mailed to the United States Patent and Trademark Office on November 16, 2001 using the certificate of mailing procedure under 37 C.F.R. § 1.8. However, the correspondence was returned to our firm as being returned undelivered by the United States Postal Service on January 23, 2002. Therefore, we are resubmitting the original reply.

The original reply includes:

1. a copy of the Notice to File Missing Parts of Nonprovisional Application filed under 37 C.F.R. 1.53(b);
2. a letter concerning that notice;

3. an executed Combined Declaration and Power of Attorney for Patent Application form completed by the applicant;
4. a credit card payment form for \$130.00 to cover the late filing fee for filing the Declaration; and
5. a return postcard.

It is believed that based upon the recent problems with the U.S. Postal Service concerning delivery of mail to the U.S Patent and Trademark Office that no extension of time is required for entry of the enclosed documents. Further based upon these problems, it is submitted that these documents were filed on November 16, 2001, well before the deadline of December 12, 2001. However, authorization is granted to charge our deposit account no. 18-1644 for any additional fees necessary to avoid abandonment of this application. If you have any questions concerning this matter, please do not hesitate to contact me.

Dated: February 8, 2002

Respectfully submitted,
